

Disposable Scrub Set SMS

Technical Data Sheet

The Disposable Scrub Set consists of a soft, yet protective medium weight scrub top and pant packaged as a set. This high-quality product is an alternative to traditional reusable scrubs.

PROTECTION

Our advanced Tri-Layer SMS material will protect against fluids and spray, while also providing comfort and breathability.

FEATURES

- Round neck scrub top with short sleeves. Chest pocket.
- Scrub pant with elastic waist. Side pockets.
- Ultrasonic seams.
- Non-sterile.
- Low listing construction.
- Does not contain components made from rubber latex.
