

Honeywell Disposable Respirator , DF300 Commercial Grade N95

Technical Data Sheet

KEY FEATURES

Engineered to promote easier breathing, the NIOSH approved DF300 Series Flatfold Disposable Respirators are made with a multilayered absorption media that repels moisture and features a smooth inner lining for added comfort.

- Designed to fit most faces comfortably and accommodate the user's facial movements
- Multilayered absorption media with a smooth inner lining for added comfort
- Latex free, comfort stretch head straps are welded for a secure fit
- Concealed, adjustable nose clip and soft foam nose cushion help provide a custom secure seal
- Humidity and moisture resistance filter media that repels moisture for a longer lasting respirator
